

OCTA 5 FOR CREAMSOURCE SPACE X

The OctaSpace 5 SpaceX delivers beautiful, broad and even illumination from the five-foot octagonal front screen using an efficient soft silver interior and weighted baffle. This 5' OctaSpace Lightbank kit includes a heavy duty Speed Ring for the Creamsource SpaceX and an OctaSpace 5' Lightbank. Chimera's Lightbanks are handcrafted in Colorado using professional quality, proprietary textiles.

Adding versatility, the SpaceX Speed Ring is compatible with legacy Daylite Senior and OctaSpace Senior Lightbanks.

- Optimized design for the Space X
- Vents allow for extra cooling
- Use the 7' expansion kit – item 6051 – for an even larger aperture
